MEMORANDUM FOR ~~THE DIRECTOR~~

1. This memorandum is for information only.

2. Ralph Graves, Articles Editor of LIFE, furnished us with this advance copy, sent to me on a confidential basis, of the text of the article they will have on Eichmann. As you know we furnished some information to Graves on the effort of a man in Germany to sell an Eichmann story and they furnished us with all the information we asked regarding the manuscript. [redacted] dealt with this office on the subject.

I thought you might like to see the article before sending it to DDP.
